Welcome from the Directors,

Thank you for joining us for the **2nd Annual Winter Jubilee!** Last year's concert was a great success and we are excited to continue the tradition in 2014. An event like this is a wonderful way for us to share the collective talents of our Concert Band, Concert Choir, Symphony Orchestra, and EHS Thespians with our students, their families, and the wider Edina community. We are proud to showcase the high caliber of our entire award-winning performing arts program at one combined event.

In addition to enjoying the musical rewards and educational benefits of last year's concert, we were able to successfully raise enough money in our "*Can You Hear Me Now*" campaign to buy a new acoustical shell to replace our old and failing one. This year, our campaign is titled "*Can You See Me Now.*" All ticket proceeds from the 2014 Winter Jubilee will go towards the purchase of LED lights for Fick and other much-needed improvements to our lighting system. An aging and widely-used facility has many needs. Your attendance at this performance will help Fick Auditorium continue to serve our students and the community for years to come.

Thank you for your generous and gracious support of all of our performing arts programs. We are fortunate to spend our days working with such a fine group of talented and dedicated young people. Edina Public Schools is a vibrant place that offers our students exemplary experiences in academics, athletics, and, as you'll hear tonight, in the arts! Family support is an integral component of our continued success.

Thank you again for being a part of our new Winter Jubilee tradition. Happy Holidays to all of you from all of us!

Edina Fine Arts Department

CHOIR

The Choirs of Edina High School are comprised of 3 co-curricular ensembles. Varsity Choir is a non-auditioned ensemble comprised of mostly sophomores. Bel Canto Choir is made up of junior and senior women. Concert Choir is auditioned juniors and seniors. Each large ensemble has a select small group chosen by audition. We also have a Men's Chorus that meets before school consisting of any student who wants to sing and adult members of the community.

BAND

The Edina High School band program consists of more than 300 students in grades 10, 11, and 12. There are three high school concert bands: a concert band, two sections of varsity band, and two sections of a symphonic band. All three bands form the Edina "Hornet" Marching Band in the fall. There are two extra-curricular jazz bands, three pep bands, and numerous excellent chamber ensembles. Auditions are held annually for placement in all the high school bands. Musical ability and grade level, along with a strong desire to achieve excellent musical results, are the primary factors in determining placement in bands.

ORCHESTRA

The Edina High School Orchestra program consists of three curricular ensembles and one select co-curricular ensemble, the Chamber Orchestra. The three curricular ensembles – Philharmonic, Varsity, and Symphony – meet daily and perform at various concerts and events throughout the year. Select students from the EHS Concert Band combine with the Symphony Orchestra once a week to focus on full orchestra repertoire. Auditions for the curricular ensembles are held each spring. Auditions for the Chamber Orchestra are held in the fall.

THEATER

Over 200 students are involved in the theatre program. Many work and learn behind the scenes on such things as set construction, costumes, make-up, lighting, or publicity. Student crews run all the scene changes and sound and lighting equipment. Community interest and support has enabled us to reach our goals of being a nationally recognized tradition of theatre excellence! Theatre encourages our students to develop the knowledge, skills, and attitudes necessary to be successful individuals throughout their lives. Each student is developing self-confidence, self awareness, initiative, responsibility, dedication, leadership, creative thinking, problem solving, goal setting, time management, group dynamics, and group decision-making skills.
